'Sprint 4 Flint'

Ride, Swim, Play...Give

On August 24, 2017, Mr. B and The Joybox Express will depart Flint, Michigan, transporting his 385-pound piano on a tricycle built for three with the aim of reaching Mackinaw City within 24 hours. Next, a team of swimmers will tow the piano bike to Mackinac Island. The goal of this musical bike ride/swim is to raise funds for YouthQuest, an afterschool and summer program that serves 2,000 students in Flint and Genesee County each year. All donations fund YouthQuest. (<http://www.flintandgenesee.org/learn/youthquest/>)

There are three ways to support our efforts with your contribution:

General Donation – Donations in any amount are welcome for those who want to back us without physically participating in the ride/swim.

Ride-Along – Ride alongside the Joybox Express for all or part of our 240-mile ride, raising pledges from others to support your efforts. Minimum total pledge of \$100 to Ride-Along.

Ride-on – Team riders will ride ON the back of the Joybox Express as pusher bikers in 10-mile increments, raising pledges from others to support their efforts. These spots require a minimum total pledge of \$500 per bike.
